

Keyboard Practice

1. You can practice typing on the Internet at home. Your tutor will help you get started. Go to:

<http://www.typingweb.com/tutor/>

2. Your tutor will help you make an account. Write your username and password. Keep this page near your computer at home.

My username: _____

My password: _____

3. Do the first lesson with your tutor. You can do the other lessons at home.
Have fun!
